PROFESSIONAL SUMMARY

Dedicated Information Technology student specializing in front-end development, proficient in HTML, CSS, JavaScript, and modern frameworks. Demonstrated ability to create dynamic web applications and innovative designs, consistently delivering user-centered solutions. Committed to staying current with industry trends and collaborating within cross-functional teams to drive cutting-edge projects. Quick learner with a proven track record of resolving complex coding challenges effectively.

EDUCATION

Bachelor of Information Technology

2021- 2025 – Present

Seth Jai Parkash Mukand Lal Institute of Engineering & Technology, Radaur

- Relevant Coursework Completed: Data Structures & Algorithms, Web Development, Database Management Systems, Object-Oriented Programming, Operating Systems
- Co-curricular Activities: Member of the College Singing Club , Participated in Pro-Fashional Fiesta Modeling Contest and Cultural Events, Attended workshops on Artificial Intelligence, Web Development, and GitHub Essentials, Secured 1st Position in Treasure Hunt Competition during College Fest

Senior Secondary Education

2020-2021

Vishvas Public School, Shahabad Markanda

- Relevant Coursework Completed: English, Physics, Chemistry, Mathematics & Physical Education
- Co-curricular Activities: Designed and launched a water rocket using a plastic bottle and air pump for a school science exhibition Secured 1st Position in the exhibition for innovation and demonstration

Secondary Education

2018-2019

Vishvas Public School, Shahabad Markanda

- Relevant Coursework Completed: English, Hindi, Science, Mathematics & Social Science.

SKILLSET

- Programming Language: Javascript, Java , C/C++
- Web Development: Semantic HTML & Accessibility Best Practices, CSS Styling & Layout (Flexbox, Grid), Responsive Design & Media Queries, DOM Manipulation & Event Handling (JavaScript)
- Code Editor: Visual Studio
- AI Tools: ChatGPT , Git&GitHub
- Soft Skills: Quick Learner, Team Collaboration, Problem Solving, Time Management

INTERNSHIP

Online

Internship Studio, Online

July, 2024 – August, 2024

- Designed and developed a functional e-commerce website using HTML, CSS, and JavaScript.
- Implemented core features such as product listings, shopping cart functionality, and responsive design.
- Gained practical experience in front-end web development and user interface (UI) design.

PROJECTS

Shoe Website

- Technology Used: HTML, CSS, Bootstrap & JavaScript (Front-End Web Development).
 - Outcome: Built a responsive and user-friendly e-commerce website featuring product listings, a shopping cart, and interactive UI elements.
-

Car Website

- Technology Used: HTML, CSS, Bootstrap, JavaScript, Owl Carousel (Front-End Web Development).
 - Outcome: Built a responsive and user-friendly e-commerce website featuring product listings, a shopping cart, and interactive UI elements.
 - Integrated Owl Carousel for interactive image sliders on the homepage and product pages.
 - Implemented key features such as product listings, shopping cart functionality, and filter/search options to enhance user experience.
 - Applied modern UI/UX practices using Bootstrap for layout and styling consistency.
-

HOBBIES & INTEREST AREAS

- Weight Training: Maintain a consistent strength training routine focused on physical fitness and discipline.
- Video Editing: Create and edit engaging video content, with experience in transitions, sound syncing, and short-form storytelling.
- Photography: Enjoy capturing landscapes and candid moments, with a good eye for framing and lighting.
- Gaming: Play strategy and simulation games to sharpen problem-solving and decision-making skills.
- Content Creation: Make funny memes and relatable reels on Instagram, trending topics, & everyday humor to entertain audiences and boost organic reach.
